REPORT ON BIBLICAL RECORDER
(BY A. M. KELLY)

For more than a hundred years the Biblical Recorder has sought to serve the Baptists of North Carolina and the world. It seeks in a constructive way to comply with the command of the Master to carry the Gospel to every part of the world. The 64 Baptists who compose the stockholders in the Biblical Recorder Publishing Co. are lending every effort to make the Recorder of interest to our people and to instruct them concerning our Baptist work. For a number of years they received no dividend, but they have received, in later years, six per cent on their investment. But for the other interests of the Biblical Recorder Publishing Co., publication of the Biblical Recorder would have been suspended ten years ago; but the income from rent on the building and other sources have been taken to pay the deficit on publishing the paper. The Christian culture of our future Baptist homes depends, in no small degree, upon the contribution the Biblical Recorder makes to that end.

People are largely influenced by what they read. The Biblical Recorder seeks to bring to our people weekly a summary of our Baptist news, local and general. It seeks to give a Christian and Baptist interpretation to the events of the day. It seeks to record achievements of our schools, churches, Sunday Schools, B.T.U.'s, W.M.U.'s and Laymen's work. It carries news from our missionaries at home and abroad, and informs the reader of what is being accomplished through his contributions.

The Home Circles offers help for the development of the spiritual and intellectual needs in every young church member. It seeks

to inculcate high ideals in our young people and to be of real help in the development of Christian character. All this means much good for the future generations. Never before was there a time when our boys and girls have greater need for wholesome literature which will instill high ideals, create a desire for pure living, and stimulate them to render unselfish service. The Biblical Recorder seeks to lend aid at this particular point.

Respectfully submitted,

A. M. KELLY.

Report discussed by J. M. Page and adopted.

ORPHANAGE DATA

(BY MRS. R. L. McCLENEY)

Fiftieth Annual Report—The Mills Home, Inc., for year ending December 31, 1934.

Number of children in institution, Thomasville, 545; Kennedy Home, 155—total 700. Children cared for in own homes (Mothers' Aid) 189. Total expense for maintaining Thomasville and Kennedy Homes during the year 1934, $143,212.52. Bequests and gifts in 1934, totaled $8,469.28.

No deaths to report among the children, but three faithful workers have been called by the Father. Miss Mary Cook died September 8th, 1934—after 29 years of service as a house mother. Archibald Johnson, Editor of Charity and Children, died December 27th, 1934. North Carolina is said to be orphanage conscious because of Archibald Johnson, through Charity and Children. Mr. Mack Eddinger died March 15th, 1934. A carpenter who had worked longer at the orphanage than any other person. A friend to all.

The ranks must be filled. John Arch McMillan is now Editor of Charity and Children. The qualities he manifests are well in keeping with the policy of the paper through the years.

MISSIONARY DATA

(By S. N. Lamb)

For Baptists, with the open Bible, one objective is ever before them, that of world-wide Evangelization. This objective is sought through a world-wide missionary enterprise. As a means to this end, the Home and Foreign Mission Boards were organized, and in conjunction with these, the various State Mission Boards work so that every area of our entire world may be touched with the gospel message and appeal. Ninety years ago the Foreign Board began, sending as its first missionary Samuel Compton and his wife, to South China, August 4, 1845. He lived one brief year, but the chapters written since then are filled with romance. Country after country has opened to our ever increasing line of missionaries until today, Southern Baptist, have over 3000 native and foreign missionaries, who labor in more than 2500 out stations, with 2730 churches and nearly 200,000 members, exclusive of the last baptisms. These native Christians contributed last year nearly $350,000.

The Home Mission Board, with Dr. J. B. Lawrence as executive head, located at Atlanta, Ga., has in all departments and fields of its work, more than 200 missionaries. It is maintaining over 400 mission stations and preaching places; operating in whole or part

five Good-Will Centers, two Rescue Missions and a Seamans' Institute; has fifteen schools operated by missionaries in Panama, Cuba and the homeland, and in furnishing the property of eight mountain schools free of charge to local Boards of Trustees for the operation of schools in the mountains; it is operating the Southern Baptist Sanatorium at El Paso, Texas. The Home Board received from all sources last year $320,030.95, of which amount the women, through their observance of the March week of Prayer and the Annie W. Armstrong offering, gave nearly $95,000.00.

State Missions is carried on in the eighteen states and the District of Columbia through their own Boards in connection with the local churches. This work embraces the work within our own state boundaries.

Respectfully submitted,
S. N. Lamb.

REPORT ON B. T. U.

(By F. G. Kelly)

The Baptist Training Progarm is steadily going forward in the Southland. Great numbers of consecrated men and women are giving their time in tireless effort in order that the untrained church members may be properly trained for efficient Christian work in the church.

The outstanding feature of the Baptist Training Union work in the Cape Fear-Columbus Association this year was the Regional Convention held with the Tabor Church in the early spring. This convention was well attended and the Christian Spirit manifested among the delegates at this convention showed that our young people in our churches that are availing themselves of the opportunities afforded by the Baptist Training Union are already manifesting a superior type of Church leadership. This kind of Christian leadership is very much needed now in our churches, and will mean much for the on going of the Kingdom work.

The B. T. U. theme for this year is, "Magnifying His Church". A great host of our Baptist people have been led to a greater appreciation of the Church of Christ by a careful study of this theme this year.

Respectfully submitted,
F. G. Kelly.

Report discussed by F. G. Kelly and adopted.

REPORT ON CHRISTIAN EDUCATION

(By J. B. Wyche)

Our Baptist people have made much of schools both in the pulpit and in the pew. The Baptist College is an extension of the educational purpose of our churches. In our Baptist colleges are gathered Christian teachers of ability and character who give their lives to the training of young people that they may not only be leaders in business, the professions, and civic affairs, but that they may be worthy leaders in the life of the churches.

In North Carolina, we have several excellent Baptist Colleges. Many young people from our association have attended Campbell College. Other Junior Colleges doing a great work in our state are Mars Hill, Wingate, and Boiling Springs. Wake Forest College has of its work. Our young women can get most excellent training at Meredith and Chowan.

Just beyond the college, lies the Theological Seminary and Training Schools for those whom God calls to special Christian service. Never were the demands heavier than now upon the pastor, the missionary, the Christian teacher, the specialized church and denominational worker. Let us keep constantly in our hearts and remember affectionately in our prayers our great Southern Baptist Theological Seminary at Louisville, Ky., Baptist Bible Institute in New Orleans, La., Southwestern Theological Seminary at Fort Worth, Texas and the W. M. U. Training School at Louisville, Ky.

Let us renew our conviction that Christian education is fundamental in the program of Jesus Christ and of our churches. Let us pledge anew our loyalty to our Baptist Institutions of learning, and give practical expression to that loyalty by sending our sons and daughters to our own Baptist colleges, by encouraging young men called of God to the ministry to secure theological training, and by our generous financial support of these institutions which largely constitute the hope of the future for a trained, devoted, loyal, consecrated leadership for our churches and for our beloved denomination.

Respectfully submitted,
J. B. Wyche.

Report discussed by G. G. Page and adopted.

REPORT ON HOSPITALS

(By J. J. Hendron)

The Baptist Hospital at Winston-Salem was founded in 1922 and was started from the funds from the 75 million campaign. It

was established for the purpose of providing hospital treatment for the sick of the entire state, particularly for those who cannot pay for hospital treatment, and further that our own Baptist people might have a hospital under Christian auspices and influence where they might go and feel at home. The main hospital is a five story, fireproof brick building, with a capacity of 108 beds and is equipped with every modern convenience for the best possible care and treatment of the sick.

The hospital has a staff of 60 medical and surgical men, a specialist for each particular case. These doctors are the very best of their profession and are giving much of their time and service free of cost. There are 45 nurses, well trained, who go about their tasks day and night cheerfully and with kindness among the sick.

It costs on the average about four dollars a day to care for a patient. No hospital case is ever turned down for inability to pay. Patients are received regardless of religious beliefs.

Ministers of the different churches in Winston visit the hospital daily. Almost all the doctors and nurses and all of the officials of the hospital are active church workers. Morning services are held daily, and prayers are offered for divine blessings upon the sick and their loved ones at home.

The hospital has to depend almost entirely for its support on the Mothers' Day offering in the churches and Sunday Schools to provide treatment for its large number of free and part free cases which compose more than half the hospital cases.

The bodily healing of the sick occupied a large place in the ministry of Jesus. We urge each church in this association to manifest its sympathy for these unfortunate, afflicted ones by taking a collection in the Church or Sunday School on Mothers' Day, the second Sunday in May, thus exemplifying the Christian spirit in caring for suffering humanity.

Respectfully submitted

J. J. Hendron.

Report discussed by J. J. Hendron, I. T. Newton and adopted.

REPORT ON OLD MINISTERS' RELIEF

(By J. L. Memory)

Old Ministers' Relief is not receiving the hearty support from our churches that it deserves. Unlike people in other callings, we rarely ever see a minister who has created a sufficiency other than for his daily needs. Having given his life in ministering to his people, in many cases for just his absolute demands, he comes to that period in life when his services are no longer in demand and unless there are some provisions made for him suffering will inevitably follow. Shall we ignor it?

Numbers of business firms and corporations make such provisions. After one has remained in the employ of such a firm or corporation, he is then retired for life upon a salary. Shall we be less faithful to those who have lovingly ministered to our spiritual welfare than the business man is to those who have aided him in

accumalating his wealth? A fine opportunity comes to us to show our apreciation and love when such present themselves.

Your committee would earnestly recommend to the churches of our association The Relief and Annuity Board at Dallas, Texas, and that they give this object the consideration it deserves. "Inasmuch as ye did it unto one of the least of these, ye did it unto me."

Respectfully submitted,
J. L. Memory.

REPORT ON WOMAN'S WORK

(By Mrs. D. F. McGougan)

Woman's Missionary Union Auxiliary to the Southern Baptist Convention was organized in Richmond, Va., in May 1888. The North Carolina Union became a part of the Southern Union in 1891. Our first annual meeting was held in Goldsboro in the same year. Fourteen societies sent delegates. This first session was memorable because here we made plans for our first Lottie Moon Christmas offering for China. The Southern Union asked N. C. women for $2000 for this first offering but $3000 was given. Last year N. C. women gave $25,201.16.

In 1894 looking for a permanent and more complete organization, of our work, Associational Superintendents were appointed in

a number of the associations, a plan that has been continued through the years.

The annual meetings from the beginning had been held at the same time and place as the State Convention, but the attendance at the two meetings was so large it was necessary to hold them separately. In 1906 the Union met in Durham in a separate session. The Cape Fear-Columbus Association was organized in 1918, electing Mrs. J. L. Memory Superintendent. There were several active societies at that time. We now have 34 societies, giving in 1934 $1,035.32.

Respectfully submitted,
Mrs. D. F. McGougan.

Report discussed by C. R. Hinton and adopted.

REPORT ON CIVIC RIGHTEOUSNESS

(By R. J. Rasberry)

The obedience to and the enforcement of the laws of our land should be of primary concern of every Christian. The courts of our land are rapidly becoming the laughing stock of the world. Every one knows that if a man has the money he can get away with cold blooded murder. The inevitable result is that crime has continued to multiply itself during the past year. It will continue to do so until the Christian conscience rises up in righteous indignation and demands that the laws of our land be enforced and that justice be meeted out swiftly and surely.

The liquor traffic again has our National and State governments within its grip. Every promise which was so solemnly made, and so alluringly held forth, by the Repealist of the Eighteenth Amendment has been broken. Nation wide advertisements are appearing in the daily, weekly and monthly papers and magazines in beautiful full colors with their subtle and insideous influence which no one who reads them can escape.

The world is an armed camp. The whole world is plunging head long in a mad race for armament supremacy. More men are now under arms than there were in 1914. During the past sixty days the entire world has been standing on the threshold of another war. Only the bankrupt condition of the world has held the nations back from each others throats and compelled them to seek desperately for peace. Our own United States not only refused again to support world peace by entering the World Court, but also spent approximately $1,000,000,000 during the past year on its army and navy.

We rejoice in the Arms Embargo which is now in force in this country against warring nations and in President Roosevelt's promise to keep America free from entangling alliances which might draw us into war. But in spite of these, we know full well that when war comes to the other nations of the world we will be drawn into it.

The church of the Living God must take its stand before the whole world and in no uncertain terms declare its unalterable opposition to war and its devotion to the maintenance of peace among

men.

Respectfully submiteted.
R. J. Rasberry.

Report discussed by R. R. Rasberry and adopted.

REPORT ON SUNDAY SCHOOLS

(By W. B. Buffkin)

The Sunday School was first organized to give the children the first rudiments of an education. Teachers were paid. In due time Bible teaching was the major emphasis and teachers became volunteers. Out of the Sunday School movement has come many of the rich and purifying things that have gone into human society. It has been since its organization, and is now a powerful barrier to error, doubt, unbelief, and unsound religious conviction. It has counteracted influences which have threatened to ingulf all vestiges of Christianity as a vitalizing force in the world.

There are now 37 churches with 5929 members in this association. In these churches there are 36 Sunday Schools with an enrollment of 5804 pupils and 380 teachers and officers.

The work of the Sunday School is Christian education. As a school it is an educational agency in its own right, seeking to make education Christian. Its right and power diseminating truth.

Respectfully submitted,
W. B. Buffkin.

Report discuessed by W. B. Buffkin and adopted.

Motion to thank the people of Cherry Grove for their good hospitality carried unanimously.

Motion made and carried to extend to Brother I. T. Newton our appreciation for his untiring service.
